

CORN MAZE + TECHNOLOGY = ARD'S FARM FUN

Ard's Farm has added technology to the corn maze. First, you will be able to text your answer to questions, and if you're right—you will receive clues as to how to get through the maze. Additionally, there are QR codes that, with your smart phone, you will receive a map of the maze. It's completely your choice to use the new information or go through the "Old Fashioned Way".

Our 2011 group packages allow all group members to "GET LOST" while exploring our 5 acre corn maze. While in the maze park you will also be able to enjoy Maze Mountain (a 95 foot tube slide), the web maze, tile maze, rope maze, corn cannon, and fun barn. And don't forget that you will be able to explore THE LOST GOAT MINING COMPANY. A fossil and gem mining adventure.

Our 2011 Mini Maze Park Adventure package allows all group members to explore our much smaller mini corn maze. While in the maze park you will also be able to enjoy Maze Mountain (a 95 foot tube slide), the web maze, tile maze, rope maze, corn cannon, and fun barn. And don't forget that you will be able to explore THE LOST GOAT MINING COMPANY. A fossil and gem mining adventure.
